Draft 2.1

				<p>Events Customers shall be seated on pre-set socially distanced tables which will also be compliant with applicable Covid-19 restrictions. Allowable mixing of these customers will depend on current Covid-19 restrictions.</p> <p>If there is a significant footfall on rugby days the clubhouse management team shall assign staff &amp; volunteers at strategic points to help manage customers and visitors in the clubhouse, and if necessary implement a “one-in-one-out” system.</p> <p>During busy times people flow &amp; service areas will be managed using signposted one way systems. In some cases also physical barriers are to be used to aid control. Staff and volunteers are to observe and manage the queue to ensure continued safety.</p> <p>Rooms not in use will be locked to prevent access.</p>	
General	Transmission via Contact at the Club	Staff, Volunteers, Customers and Visitors		<p>Staff, volunteers, and customers shall maintain 2m social distanced. This requirement shall be reinforced by posters and staff/volunteers proactive customer/visitor engagement. 1+m will be allowed in working areas where mitigations have been implemented. Perspex screens have been erected at the BBQ/bar and Hatch outlets.</p> <p>For Take-a-way services beverages are to be served in single use, disposable "cups" rather than returnable glasses so that</p>
