

Dear Members

Following the Westcliff RFC AGM on 28th June 2022 it was agreed that there would be a revision to the Clubs membership fees for the coming season.

We understand that the present economic climate makes it a very difficult time for us all but Im sure you can appreciate the running costs of the Club have increased substantially year on year.

This is the first time in over 7 years that we have made an increase to the membership fees during which time we have of course moved into our fantastic new clubhouse and its excellent facilities and feel despite the increase we are still offering our members excellent value for money .

Membership is for a full 12 months and covers not only the cost of all rugby – coaching, equipment, pitches, RFU Insurance, post-match food, entrance fees to festivals etc but also gives you access to the Club Gym, Physio, preferential rates for hire of the clubhouse, ability to apply for International Tickets and with the launch of our new membership cards discounted food and drink .

As always we remain committed to our rugby for all and community values so if anyone has any difficulties in paying their membership fees please speak to your team manager or one of the Executive Committee in complete confidence.

I look forward to what I'm sure will be a great season as we celebrate our Centenary year and hope you will join us in this special year for the Club.

James Evans

Chairman Westcliff RFC
